To: Bruce L. Schelmer!

We would like to have the pictures returned to us please. If it is possible could we have the paperwork and report then just the pictures.

Kathy and I would like to thank your staff and you for the professional handling of our case. You have been both professional and understanding. You are truly a credit to your field. We know that you put a lot of time and effort out for us and we are grateful to you.

Thank you very much

Sincerely:

Lucy and Kathy Fisher
