Dear Joel:

Thank you for coordinating the Friday, October 3, 2008 blood drive. We were very pleased with the drive overall, and the willingness of the donors to share this life saving gift.

The efforts of Assoc. & Bruce Scheiner have always been greatly appreciated and their support of the community blood program will go a long way toward replenishing blood supplies and ultimately saving lives.

In addition, we very much appreciate your efforts during this crucial time. You may be interested to know that 7 units were collected at your drive. Enclosed is a list of donors who participated.

Again, thank you for your contribution and ongoing support of this important community program. I look forward to working with you again on an upcoming blood drive.

Sincerely,
