Hi Bruce + Randy + Arbitrator From Naples

I just wanted to let you know
what I have been up to.

I spent the money wisely. First I
had my teeth fixed.

Then I bought a flip house
duplex in GA 11,000 sq feet BUT I
think I can make a profit
I got it as a foreclosure (29,000)

Still working on a transfer
I can't afford Naples once I retire.

I will still have to work or do something..

I thought you told me that I wouldn't
have to pay BCBS back?
I see you invested my money wisely as well.

Although, that was the worst experience
having that accident and surgery
and all the stress that went along
with it it did help me a great deal.

I couldn't even afford me gas prices
right now without the cushion.

Thank you for everything. If I make
it big, I'll let you know.

No furs, diamonds or vacations.

Have to think of my future

Keep in touch noreen allison
