

"Creating a safe community to live, play, and work"

Bruce L Scheiner
The Scheiner Building
4020 Evans Avenue
Ft. Myers, Florida 33901

Dear Mr. Scheiner,

Thank you very much for your gift to the Injury Prevention Coalition of Lee County and your continuing commitment to injury prevention. Your generous gift will be used to help support a Fall Prevention Summit. Falls, especially those by older persons, are a major cause of injury, hospitalization and death. Lee County has about 13,000 Emergency Department visits a year due to falls, 1,700 hospitalizations and over 100 deaths. Many, if not most, falls are preventable. This meeting is a major step in our community's effort to prevent this major problem.

Your expression of support will help in our efforts to reduce the burden from falls and other injuries.

Again, we thank you for your very kind gesture.

Sincerely yours,

Lowell W. Gerson, PhD
Chair
