

Winnie Wong

Community Service

I've done many things for my community. Every month the National Junior Honor Society volunteers to clean the road in our community. We also visit nursing homes and organize the dance at the end of the year.

Occasionally, I have gone to the "Legacy" and other assisted elderly homes and voluntarily played piano there.

Also, I helped out at church with the younger children during service. And at vacation bible school every year.

And that's my services I have accomplished for my community.
