*Dear Mr. and Mrs. Scheiner,*

*It's with sincerest gratitude that we write this note.*

*Eight years have passed since your kindness has come into our family's lives. That is when Hali was given the Make A Difference award in 2002. The time that you and your firm have spent with our three daughters has helped them mature and develop into young women, and for this we can never thank you enough.*

*During this time of year, we all like to reflect on the past and give thanks and appreciation to those who deserve it, you both exemplify these characteristics. We look forward to continuing this friendship as our daughters progress through their separate journeys to success, journeys of which you were an influential part.*

*Wishing you the best of the Holiday Season and happiness in the New Year,*

Dear Mr. and Mrs. Scheiner,

It's with sincerest gratitude that we write this note. Eight years have passed since your kindness has come into our family's lives. That is when Hali was given the Make A Difference award in 2002. The time that you and your firm have spent with our three daughters has helped them mature and develop into young women, and for this we can never thank you enough.

During this time of year, we all like to reflect on the past and give thanks and appreciation to those you deserve it, you both exemplify these characteristics. We look forward to continuing this friendship as our daughters progress through their separate journeys to success, journeys of which you were an influential part.

Wishing you the best of the holiday season and happiness in the New Year.

Ed and Trish Herbert

For everything you've done...

for being the special people

that you are...

thank you so very much.

*We Know That Without Representation  
We Would have Seen "Thrown Under The Bus"  
As They Say. You have A Great Team  
& We SALUTE All of You.*

*As Always*

*Ted & Dottie Vitucci*

We know that without representation we would have been "thrown under the bus" as they say. You have a great team and we salute all of you.

As always,

Ted and Dottie Vitucci

Some how a card  
just doesn't seem  
adequate enough to  
thank you, for the  
kindness, compassion, in  
this difficult time.

God bless you all.

Sincerely

Somehow a card just doesn't seem adequate enough to thank you for the kindness and compassion in this difficult time. God bless you all.

Sincerely,

Catherine
