Dear BLS Team:

On the behalf of the staff, families and students of Tice Elementary would like to take this opportunity to thank you for your generous donation of \$150.00. Support from the contributing community partners like Associates & Bruce L. Scheiner, helps in continuing the education that our children desperately need and deserve. Our school was truly blessed with this opportunity to show what Hispanic Heritage night is all about. Again, thank you for your generosity.

Sincerely,

Ronda Amaya
Principal
